## SUMMARY

---

Motivated Full Stack Developer with hands-on experience in React.js, JavaScript, .NET, Node.js, MongoDB, SQL, HTML, and CSS. Experienced in developing web applications, designing responsive user interfaces, creating REST APIs, and integrating databases. Strong understanding of software development life cycle, object-oriented programming, and modern web technologies. Seeking an opportunity to contribute technical skills and grow as a software developer.

## EDUCATION

---

### Sinhgad Institute of Management, Pune

*Master of Computer Applications (MCA)*

### [University Name]

*Bachelor Degree*

## EXPERIENCE

---

### Full Stack Developer Intern

2026

*[Company Name]*

- Developed and maintained HRMS (Human Resource Management System) modules.
- Designed responsive user interfaces using React.js, HTML, CSS, and Bootstrap.
- Created RESTful APIs and backend functionality using Node.js and Express.js.
- Integrated MongoDB database for employee, recruitment, and application management.
- Implemented role-based access control and dashboard functionalities.
- Participated in debugging, testing, and deployment activities.

## PROJECTS

---

### Human Resource Management System (HRMS) | Technologies: React.js, Node.js, Express.js, MongoDB

- Developed employee, recruiter, and applicant management modules.
- Designed recruiter dashboard for job posting and application tracking.
- Implemented ATS score calculation and resume screening functionality.
- Built authentication and authorization features.
- Integrated database operations and API services.

### Student Management System | Technologies: Blazor, .NET, SQL Server

- Developed student registration and management functionalities.
- Implemented CRUD operations and database connectivity.
- Designed user-friendly interfaces for academic management.

### Smart College Dashboard | Technologies: React.js, JavaScript, MongoDB

- Created real-time dashboard for schedules, notifications, and events.
- Developed responsive UI components and API integrations.

## TECHNICAL SKILLS

---

**Languages:** JavaScript, C#, Python, SQL

**Frontend:** React.js, HTML5, CSS3, Bootstrap, Angular

**Backend:** ASP.NET, .NET Core, Node.js, Express.js

**Database:** MongoDB, SQL Server, MySQL

**Tools:** Git, GitHub, Visual Studio, VS Code, Postman

**Concepts:** REST APIs, OOP, Data Structures, MVC Architecture, Responsive Design

## CERTIFICATIONS

---

.NET Full Stack Development Certification

Web Development Training

React.js Development Training

## ACHIEVEMENTS

---

- Successfully developed multiple academic and internship projects. - Hands-on experience with full-stack web development technologies. - Strong problem-solving and software development skills.
